About LUNEX

LUNEX provides a modern study and research environment in Luxembourg. Our recognised programmes help our students gain qualifications and open career paths in sports, health and management.

Our university of Applied Sciences and study programmes have been accredited by the Ministry of Higher Education and Research in Luxembourg.

THE GOVERNMENT
OF THE GRAND DUCHY OF LUXEMBOURG

2. *First steps after your final*

registration at LUNEX:

Prepare your arrival

Checklist

1

Application

Make sure your application is complete, your study agreement signed, and all the documents have been submitted which include copy of the passport or ID card, recent ID photo, copy of your highest diploma and certificate of health insurance.

Recognition of equivalence of your previous diploma: LUNEX will take care of the mandatory recognition of your previous diploma by the Luxembourgish authorities. For this, you will need to fill a form, provide a power of attorney and a CV in europass format.

2

Visa application required?

If you are an international student, please check in advance whether a visa is required for you. Non-EU students must apply for a student visa. Our team will guide you through the process. Please keep in mind that the visa application process can take several months. More information is available here: → lunex.lu/contact-service/information-for-international-students

Financial aid

As a private institution, we are not funded by the state but by the tuition fees. If you don't have the financial resources, you can find out about available financial aid and scholarships. If you are not eligible for the above options, you can still ask for a student loan or look for a student job. More information is available in this guide. Non-EU students will need to prove that they have sufficient funding to cover tuition fees and living expenses.

3

Health insurance

A copy of your health insurance will be mandatory to finalise your application at LUNEX. As a European student, you just have to ask your health insurance provider at home for a certificate. Non-EU students can apply for health insurance with a Luxembourgish health insurance provider. Once enrolled at LUNEX, you will also have the possibility to register for the CNS ("Caisse Nationale de Santé") in Luxembourg.

4

Accommodation

At the moment, LUNEX does not offer accommodation on its campus but is actively working on it. Thus, you will need to look for accommodation before the semester starts. Please keep in mind that accommodation hunting in Luxembourg is highly competitive and expensive. A few tips are available in the following pages of this guide.

5

Prepare your arrival

ECTS recognition: Accreditation of prior learning

Have you already started your studies? Validated some ECTS? Then, you have the possibility of requesting the accreditation of prior learning, which would enable you to validate some ECTS in advance and avoid having to take certain modules during your studies at LUNEX.

To request it, please send us the following documents by email:

1. A CV, specifying your educational or professional background.
2. A copy of your diplomas and where you obtained your bachelor's degree.
3. A detailed transcript which shows all modules/courses taken, including grades achieved, and the exact content.
4. For each module/course, a short description of the total number of European credits (ECTS) and hours associated.

All the above documents have to be submitted in English. For official documents, a professional translation is required.

Only a complete file will be accepted.

Information regarding the recognition of academic diplomas and professional qualifications:

→ europa.eu

Financial aid and scholarships

If you do not have the financial resources, you can apply for a scholarship in your home country. International scholarships are also available. These may be provided by associations, foundations, companies and other organisations and institutions.

Students can also apply for the AIDEFI scholarship in Luxembourg. The application is entirely done online via MyGuichet and is subject to various requirements.

You can find the application process, deadline and requirements below:

→ mengstudien.public.lu

→ guichet.public.lu

In addition, LUNEX offers funding for professional athletes or coaches. Students who compete as athletes or coaches at a professional level can obtain the student athlete/coach status and may benefit from a scholarship.

More information here:

→ lunex.lu/study-overview/student-athlete-support/

AIDEFI Scholarship – Attention:

For students residing outside of Luxembourg, financial aid is a form of substitute assistance. Before submitting their application, these students must have completed all the necessary steps in their country of residence to obtain financial aid for their studies in Luxembourg.

Students must also respect the application deadlines in their country of residence. The official answer, positive or negative, for the current academic year must be attached to the application for financial aid in Luxembourg. Without this response from the competent authorities in the country of residence, financial aid cannot be granted.

Healthcare insurances

Every student enrolled at LUNEX must contract health insurance. If you are from an EU country, European Economic Area or Switzerland, you can use your European health Insurance card.

However, if you are resident of Luxembourg, you must apply to the CCSS (Centre Commun de la Sécurité Sociale) for mandatory student health insurance to be reimbursed for your healthcare expenses.

More information here:

→ ccss.public.lu

You will just need to join an enrolment certificate to the application. For non-EU students, to facilitate the procedures, LUNEX offers the service to contract the insurance for you to the CCSS at the start of the semester. The form will be filled in in the Student Experience Office and send directly to the CCSS. Once it's accepted, the institution will pay monthly for the health insurance. At the end of every semester, you will receive an invoice to pay back the institution (the expenses are around 50 euros per month). Before your arrival, you can contract insurance (usually travel insurance covering your medical costs).

If you are enrolled with social security, you will receive a social security card to prove your entitlement to the CNS.

For more information:

→ ccss.public.lu

125, route d'Esch
L-1471 Luxembourg
on appointment only
(+352) 40141-1
ccss@secu.lu

When you visit a professional, you must pay the invoice right away and then send a letter to be reimbursed for your healthcare expenses. Depending on where you are insured, the procedure is different. More information here:

→ guichet.public.lu

Rental insurances

When you rent an apartment or room in Luxembourg, we advise you to contract rental insurance as an occupant to cover your household contents. It's not mandatory but in the event of fire or water, you will be required to bear all repair costs... so better be covered. Sometimes, the insurance can be included in your rent, you need to check in your contract.

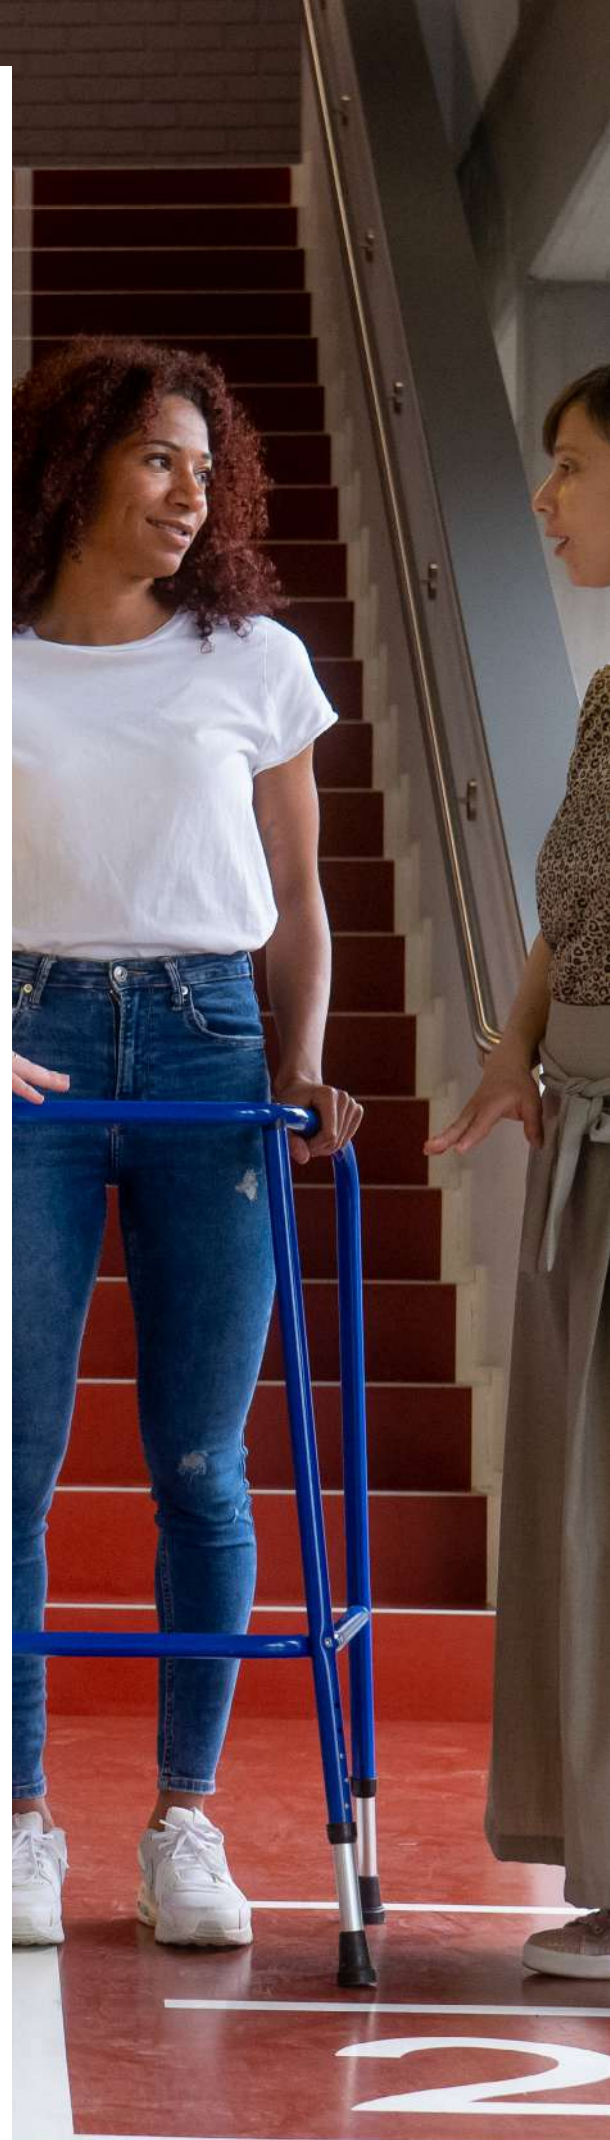

As a student, you can even contract rental insurance with advantages (multi-risk home insurance).

In the area of Differdange, you can find these agencies:

- AXA
- La Baloise
- Foyer
- Lalux

Required documents to contract rental insurance:

- ID card/Passport
- Rental agreement
- Bank details (RIB)
- Visa or residence permit
(for non-EU students)

Prepare your arrival

Accommodation in France and Luxembourg

Are you about to start your studies at LUNEX but don't really know where to look for accommodation? Here are a few tips to help you in your search.

Accommodation in France:
Student Residence Twenty Campus in Audun-Le-Tiche:

→ twenty-campus.com

Privately furnished rooms in Longwy Bas offered by Quai Grand Est.

Phone: +33 6 29 84 34 12

xh@annex-conseil.fr

→ quaigrandest.fr

LeBonCoin is the most common site used to find accommodation easily between individuals or with an agency:

→ leboncoin.fr

Additional useful websites:

→ immoregion.fr

→ entrepaticuliers.com

To help you to find an accommodation, here is an exhaustive list of cities close to LUNEX in France:

- Longwy
- Mont-Saint-Martin
- Herserange

- Longlaville
- Hussigny-Godbrange
- Réhon
- Villerupt
- Audun-Le-Tiche

Applying for housing benefit in France:

To apply for housing benefit, go to → caf.fr

If you are not attached to your parents for tax purposes, you will have a better chance of obtaining monthly assistance. To qualify for assistance, you must be living in the country.

Attention:

Non-EU students with a Luxembourgish student visa are not allowed to live in France!

Accommodation in Luxembourg:

Required documents for renting an apartment or shared apartment:

- ID card/Passport
- Scholarship enrollment
- Proof of income (from you or your parents: the last 3 pay slips or employment contract)
- Bank details (RIB)
- Garantor designation (to cover possible damages or

non-payment. For non-EU students, it can be your sponsor)

- VISA (for non-EU students)
- Rental insurance (if the landlord asks for it)

To rent an apartment, you need to draw up a written rental agreement (called "Bail" in French) with an agency or landlord.

In this contract, important aspects of the agreement between you and the landlord will be set out like duration of the contract, the amount of rent, the schedule and frequency of the payments, the amount of the deposit (called "caution" which usually equals the amount of 3 months of rent), the notice periods (usually 3 months before leaving the apartment you have to send a registered letter to the landlord to notice your departure). When you sign the "bail" you should do the inventory check as well.

The inventory check is not mandatory, but it will be useful to prove that you haven't damaged the apartment when you want to leave the place in order to get back the amount of your deposit.

Prepare your arrival

Temporary accommodation in Differdange and surroundings:

Hôtel Gulliver:

→ gulliver.lu

Hôtel Carpini:

Note: Other offers can be found on the notice board at the entrance of LUNEX.

Application for housing benefit:

You will find all the information you need to apply for housing benefits in Luxembourg on this site:

→ guichet.public.lu

Tip:

A practical guide for new residents can be found and downloaded here:

→ justarrived.lu

You can also contact the student association LSU for advice:

→ facebook.com

lsu@stud.lunex-university.net

Opening a bank account

Depending on your situation, you may need to open a bank account in Luxembourg. In the area, you can find different bank offices such as:

- Spuerkeess (BCEE)
- BNP BGL Paribas
- Raiffeisen
- BIL
- ING

It can be tricky to open a bank account depending on your situation. You need to wait until you have an accommodation.

Check with your bank in your current country if they don't have a branch in Luxembourg. Sometimes it does facilitate the procedures.

Required documents to open a bank account:

- ID card/Passport
- Scholarship enrollment
- Proof of address (rental agreement)
- Residence permit (for non-EU students)

Phone subscription

If you are planning to stay for a long time in Luxembourg, you may need a phone subscription. Depending on the operator you choose and your needs, it goes from 20 euros to 80 euros per month on average.

These are the main agencies where you can go:

- Tango
- POST
- Orange

Required documents for a phone subscription:

- ID card/Passport
- Proof of address (invoice at your current address or rental agreement. It depends if you buy a pre-paid phone or subscription)
- Bank details (RIB if you choose an automatic debit)
- Visa or Residence permit (for non-EU students)

3. Welcome to Luxembourg: **Additional information for international students**

Visa application for international students

If you are a future student at LUNEX and you are from a third country, you will need to request a temporary authorisation to stay and then a student permit.

First of all, please check if you have a valid passport and if you need to obtain a VISA to enter the Schengen area:

→ maee.gouvernement.lu

1. Temporary authorisation to stay / Authorisation to study
2. VISA (If required)
3. Declaration of arrival (within 3 days of arrival to the commune where you will stay)
4. Medical Check-up (GP and TB screening)
5. Residence permit application (within the 3 months of arrival)

You can download the forms here:

→ guichet.public.lu

Step 1:

If you are accepted in one of our study programmes, LUNEX will apply for a temporary authorisation to stay for you to the Immigration Directorate of the Ministry of Foreign and European Affairs.

More information:

→ guichet.public.lu

Once your request is accepted, we will receive your "temporary authorisation to stay" at LUNEX. Your authorisation is valid 90 days. During that time, from your country of origin you have to apply for a VISA (staying for more than 3 months: Type D) in person, to the Luxembourg diplomatic mission or the embassy which represents Luxembourg in your country (Belgian embassy). Visa type D is valid one year maximum.

Step 2:

After entering the country, you have to make a declaration of arrival at the administration of the commune where you want to establish your residence within 3 days of your arrival in Luxembourg.

To obtain your residence permit, you must have completed a medical check-up:

- By a General Practitioner in Luxembourg. If you don't know where to go, you can find one on → doctena.lu
- A TB screening (Tuberculosis Test by the Ligue médico-sociale LMS). To take an appointment, you can visit this website: → ligue.lu

After receiving the results, the Immigration Medical Department will give a medical certificate which will be sent directly to the Ministry to allow the residence permit application.

Then, you must submit an application for a residence permit (for students) to the Immigration Directorate of the Ministry of Foreign and European Affairs. This can be done by sending the required documents by email or submitting the application on My Guichet

Once it's approved by the organism, you will receive a letter inviting you to take an appointment with the Ministry of Foreign and European Affairs to take a picture and fingerprints for your permit. A few days after, you will be able to pick it up in person by appointment.

With your residence permit, as a student, you are allowed to work on average 15 hours per week.

More information:

→ guichet.public.lu

Don't forget to renew your Residence permit two months before the expiration date!

Required documents to complete your application:

- A copy of the entire valid passport
- Birth certificate
- Where applicable, a copy of the residence permit issued in another EU Member State if the applicant already resides in the Schengen area
- An extract from the applicant's criminal record or an affidavit (sworn oath if no police clearance certificate can be issued) established in the applicant's country of residence
- Proof of admission to a university in Luxembourg (here: to LUNEX)
- Proof of sufficient financial resources to cover living expenses and return travel. (80% of the minimal social income).
Currently it is around 17.000 Euros for 1 year. Around 1.420 Euros per month plus tuition fees. But this is subject to change.

This proof can be provided in the following manner:

1. by providing the original document of the certificate of scholarship or student loan stating the amount and duration or
2. by providing an original bank certificate as well as a bank statement

from the past six months, in order to prove that...

... you have the necessary resources yourself or

... your parents are solvent and able to cover living expenses including tuition fees, healthcare costs for at least one year (twelve months) as well as return travel costs

Foreign Driving Licence Conversion

If you have a driving licence from other EEA Member States, it is recognized in Luxembourg. If not, you will need to convert your driving license:

- Licences can be converted, at the earliest, 185 days after you have moved to Luxembourg.
- Failure to convert within a year requires passing a driving test.

To complete the application, you will need the following documents:

- An ID photo (45 x 35 mm).
- A medical certificate (within 3 months).
- Criminal record extract (no more than 3 months old) from the country of origin covering the last 5 years
- A EUR 30 tax stamp.
- A photocopy of the foreign licence and valid ID.
- Bulletin n°4 from Luxembourg criminal records (within 3 months).

------------	-------

Ascension Day	18 May
---------------	--------

Whit Monday	29 May
-------------	--------

National Day	23 June
--------------	---------

Assumption Day	15 August
----------------	-----------

* For students in semesters 2 to 6: courses may start earlier, than 1 October or 1 April.

** Only for the students who have successfully validated all exams during the semester and do not have to take any re-exams.

Your student portals

LUNEX student email address:

Every student receives a LUNEX email address. When communicating with any staff member of LUNEX, you must use this address. To foster professional behaviour, create a signature under your email (your name, your degree, and your matriculation number).

Student Service portal:

All students have access to the student service portal. An information session will take place during the induction day at the beginning of the semester.

What can you find on the student portal?

- Personalised timetable
- Grades
- Official documents like PECS (Personal Extenuating Circumstance), for your scholarships
- Study material
- Course plan
- Student file
- Dashboard
- Exam assignment and plan

Student Online portal:

Currently, all online materials related to your courses are provided on

CANVAS. Here you can find all the information about your modules, you can contact your lecturers and professors, and submit your assignments.

Library

For studies and research, students have access to the following libraries:

LUNEX library

Located in the conference room of the campus.

Opening hours: Upon request at the Study Service Office

Bibliothèque nationale de Luxembourg (National Library)

Free registration for all residents of Luxembourg or border regions.

The registration can be done either on-site or online via → myguichet.lu

More information:

→ bnl.public.lu

Luxembourg Learning Centre

Located at the University of Luxembourg (Campus Esch/Belval), which is a short train ride away from LUNEX. The Learning Centre comprises a library, IT-equipped study and relaxation areas. Students can also book rooms for study purposes.

Opening hours:
Monday – Friday: 08:00 – 22:00
Saturday – Sunday: 08:00 – 17:00

Student support

Support is provided for students, whose difficulties or struggles directly or indirectly affect their current academic development, whether it be, mental health-related struggles, learning difficulties, learning disabilities, or any other personal issues.

Examples of events and activities offered by the Student Experience Team:

- Individual personalised meetings for student

- Conference on mental health with psychologist
- Mental Health Day with psychologists, yoga teacher and sophrologist.
- Integration days and individual meetings for non-EU students
- Etc.

For more information or any questions, please contact:
student@lunex.lu
+352 288 494-42

Student life

Studying at LUNEX, a University of Applied Sciences is an exciting and defining time. As well as professional development, it is a time when you will be meeting new people, forming life-long friendships and developing a sense of community with your fellow students. Leisure activities and parties are an integral part of the student life.

LUNEX Students' Union (LSU):

The student association proactively creates an inclusive and supporting environment for all LUNEX students. They provide academic and logistic support and organise social and sports events.

lsu@stud.lunex-university.net

Instagram: lunex_students_union

Facebook: Lsu Lunex

Examples of events and activities offered by the LSU:

- game night/movie night
- integration weekends
- bake sales
- darts tournaments
- cheerleading
- ice-skating
- afterwork

Recreational and sports activities:

LUNEX is located at the heart of the Differdange Sports Park where

you can find:

- Sports complex
(Centre sportif Parc des Sports)
- The swimming pool of Differdange
(Aquasud)
- Stadium
(Stade municipal Oberkorn)

Differdange continuously invests in the expansion of its sports infrastructure and has more than 20 sports clubs and associations. The town offers an extensive range of leisure activities and sports. More information on the sports courses can be found here:

→ differdange.lu

In addition to the activities provided by the town, LSU also offered several sports activities within the campus such as:

- Cheerleading team
- Football & rugby
- Volleyball
- Handball

You can contact LSU for more information.

Luxembourg also offers a wide range of activities including cycling, hiking, climbing, horse riding and water sports.

5. Your student life in the heart of Europe: **Living in Luxembourg**

Student jobs

To get financial help, if your parents do not live or work in Luxembourg, you will have to find a student job. To do so, you can go to job sites such as:

- lu.indeed.com
- en.jobs.lu
- cactus.lu
- lu.talent.com
- en.yoopies.lu
- jugendinfo.lu

- jobfinder.lu
- moovijob.com
- optioncarriere.lu

You can also send unsolicited applications to shopping centres, fast food outlets, etc. or look at groups on Facebook such as "Luxembourg Jobs", "Jobs Opportunities Luxembourg", "Offres/chercheurs d'emploi au Luxembourg".

Another possibility is to contact a recruitment agency in Luxembourg.

Adecco in Belval (+352 5472201) takes care of students. Once you register, they will offer you job offers matching your profile.

Do you know?

All students, regardless of nationality, are allowed to work during their studies, during their school holidays and/or throughout the year.

Students can either:

- Work 40hours/week with a student contract during school holidays
- Work 15hours/week with a fixed-term contract (CDD)

Tip:

Having a student job gives you advantages such the automatic registration to the CCSS (Centre commun de la sécurité sociale) by your employer.

All conditions can be found here:

→ guichet.public.lu

Public transport in Luxembourg and car park near LUNEX

Public Transport:

In Luxembourg, public transport is free since 1 March 2020, which include train, tram, and bus.

Train stations:

The closest train station from LUNEX is "Oberkorn, Gare" (5 minutes walking from LUNEX). Behind the building of Aquasud, you will find a path going directly towards the train station. There is also a second train station "Differdange, Gare", right in front of Auchan Opkorn (15 minutes walking from LUNEX).

You may use the train to go to Belval, Esch-sur-Alzette, or to Luxembourg-City.

Local bus in Differdange:

The bus stop near LUNEX is Oberkorn/Aquasud. The local bus of Differdange runs every 30 minutes, from 07:00 to 19:00.

More information here:

→ differdange.lu

RGTR bus lines:

If you live on the French border, two Luxembourg RGTR bus lines are available to go directly to Rodange, Luxembourg:

Line 732: Saint-Charles – Mexy – Longwy – Rodange

Timetable: → mobiliteit.lu

Line 731: Saulnes – Herserange – Longwy – Longlaville – Rodange

Timetable: → mobiliteit.lu

There is another RGTR bus line that stops in Differdange and Oberkorn directly:

Line 606: Hussigny – Differdange – Oberkorn – Belvaux – Esch-sur-Alzette – Luxembourg

Timetable: → mobiliteit.lu

Note: If you use public transport to go to LUNEX, it will be free in Luxembourg, but in France you will have to pay for a ticket.

For more information on public transport:

- Public transport in general:
(A mobile app is also available.)
→ mobiliteit.lu
- Trains only:
→ cfl.lu
- City Night Bus
(Luxembourg-City):
(on Fridays and Saturday evenings until 03:30)
→ citynightbus.vdl.lu
- Night Bus during weekends and days before bank holidays:
→ mobiliteit.lu
- Night bus on demand:
(Friday and Sunday 17:30 – 05:00)
→ nightrider.lu
- Bus for people with reduced mobility:
→ adapto.lu
adapto@tr.etat.lu

Taxi:

If you arrive to Luxembourg by plane, you have the option to come to LUNEX by bus and train or by cab/ taxi (here to book a taxi or the check the app webtaxi). Please note that the taxi transport is usually very expensive. We would recommend using this option only if you don't have the choice.

More information:

→ webtaxi.lu

Car park near LUNEX:

If you come by car, it's possible to park in front of Aquasud, the swimming-pool next to LUNEX. We recommend you ask for a Diffcard (rechargeable card) at Aquasud or at the Commune of Differdange to facilitate the payments and benefit from discounted pricing. You will be asked to pay 10€ for your Diffcard, but this sum will be directly credited to your card.

For more details, click here:

→ differdange.lu

Special offers for students: partner restaurants

There are several shops located around LUNEX. The Aquasud opposite LUNEX has a small restaurant on the first floor. Across the road are a small general store and a Portuguese

restaurant. Within a 5 min walk you can reach a local bakery, a bio shop and Auchan Opkorn, the shopping centre of Differdange, which has plenty of bars/cafes/restaurants and a large supermarket.

LUNEX has established partnerships around the campus with restaurants and bars, where students receive discounts. We try to continually expand this network of partners.

- Chez Amado – Aalt Stadthaus: 20% discount on everything except daily specials
- The Draft: 15% discount
- Mio Mio: 15% discount
- Schräinerei: 10% discount
- Villa Hadir: Pizza or plate of pasta at lunch time for 5€ / daily menu + drink + coffee = 10,80€
- Gérard de geckge Bäcker: 10% discount
