Admission

1. Fee-paying places

2. State-funded places

- based on the results of the Unified State Exams, the university's internal exams, Olympiads (on equal terms with Russian citizens)
- within the Russian Government quotas

State-funded places are available for citizens of Belarus, Kazakhstan, Kyrgyzstan, and Tajikistan. Applicants from other countries can qualify for free tuition according to the documents confirming their compatriot status as well as within the quota.

Foreign citizens staying outside Russia may be allowed to take entrance exams online according to the decision of the admission office.

All documents (identity documents, academic credentials, and others) must be translated into Russian in accordance with the established procedure. If necessary, the document must be apostilled, undergo consular legalization, or have an education level recognition certificate.

Fields of study

- Creative disciplines – Design and Art
