## 7. Admission Criteria

- Document Screening
  - ▶ The document screening evaluation involves a comprehensive assessment of the applicant's academic abilities, study plans, potential for development, and personal qualities based on all submitted documents.
  - ▶ Evaluation will be conducted by two or more evaluators.
  - ▶ After the document screening, applicants are classified as either 'Document Screening Accepted' or 'Rejected.' And the interviewee will be the 'Accepted' of document screening.
  - ※ ***If necessary, the interview evaluation may be omitted. In this case, the final decision of 'Accepted', 'Candidates', or 'Rejected' will be based on the document evaluation results.***
- Interview
  - ▶ The interview evaluation is a qualitative assessment that evaluates the applicant's cognitive abilities and social characteristics based on the submitted documents.
  - ▶ The interviewee will be the 'Accepted' of document screening.
  - ▶ Interview will be conducted online and if necessary, we will conduct face to face interview.
- Decision of Successful candidates
  - ▶ The decision of successful candidates is based on a combined score of 50% from the document evaluation and 50% from the interview evaluation. All the applicants are categorized as 'Accepted', 'Candidate' or 'Rejected'.
  - ※ ***The admission criteria is subject to change according to UNIST admissions regulations.***
  - ※ ***If necessary, the interview evaluation may be omitted. In this case, the final decision of 'Accepted', 'Candidates', or 'Rejected' will be based on the document evaluation results.***
- Registration
  - ▶ All successful candidates have to transfer the deposit by deadline.
  - ▶ If successful candidates will not transfer the deposit, it will be considered as abandonment of registration.

- ▶ Additional registration may be conducted among nominated candidates according to the registration result for Successful candidates.

## 8. Important notice for all applicants

- If any of the submitted materials contains falsified information, admissions may be cancelled.
- All successful candidates should submit apostille(or legalization) high school diploma, transcripts and other related documents by deadline. If not, the enrollment will be cancelled.
- All the submitted documents shall not be returned to the applicants.
- Even if the admitted students give up enrollment in UNIST, the deposit shall not be returned.
- Applicants should take full responsibilities for any mistakes or omissions on the application.
- If one applicant submitted many application forms, the evaluation will be based on the last uploaded application, and the other application will be deleted. Applicants take full responsibility for the duplicate application.
- All the documents should be submitted in English. Any document in another language should be accompanied by a notarized English translation.
- UNIST can ask the successful applicant to submit the original documents about their scanned copies of your submitted documents.
- Additional documents may be requested and direct verification through the applicant's school may be conducted if further information, including academic background, is deemed necessary during the admissions process.
