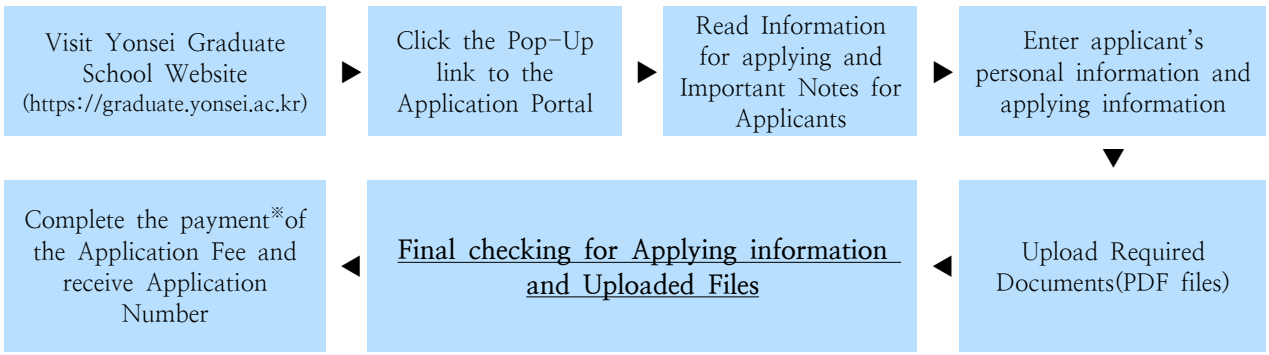
Ⅲ Applying and Submitting Documents

1. Important Notes for Application

Once you have completed the online application process (including document upload and payment of application fees), it is strictly NOT allowed to cancel your application, change department/sub field/program, delete or modify submitted documents, or request a refund of the application fee.

○ Please review and confirm your selected/entered information online before submission. Responsibility for any errors in the applicant's information rests with the applicant themselves. Please check the details and submitted documents before completing the payment.

A. How to Apply



※ Please refer to the guideline provided on the application portal

B. Important Reminders

○ Online Application ONLY

○ All written information (Academic Records, GPA, Language Proficiency Test scores, etc.) should match with submitted documents.

○ When application fee payment is completed, your application number will be provided. Please remember your application number as it will be needed to check your application result. If you do not receive the application number by deadline, it means the application is not complete. After the deadline, even though you are still editing your application, you cannot proceed further.

○ Make sure not to mistype your name, date of birth, passport number, address, phone number, e-mail address, and visa information, especially since the department may contact the applicant via phone or e-mail, and must be reachable directly by applicant. The applicant has the responsibility to ensure that the contact information is correct and up to date. Never put into others contact information which is NOT reach to the applicant directly. Please check your email regularly after the announcement of results for any important notices.

○ Name and date of birth must be identical with the ones on applicant's passport.

○ Applicant must refer to these guidelines and select the exact Program, Campus, Department, Major of their choosing.

○ If specific/sub application field of the department are noted in this guideline, applicants must choose one during the application.

2. Notices for Submitting Documents

○ All submission documents must be scanned from the original (or certified copies) and uploaded in PDF during the application process.

○ Please note that we do NOT accept any applications and references in hard copies. Voluntary submission of any kind of documents to the Graduate School, College, or Department is STRICTLY PROHIBITED (Exceptions only for Composition, Music Theory, and Music History major).

○ Failure to properly submit required documents may result in disadvantages as it is impossible to verify eligibility.

○ If you do not want to submit documents designated as required documents, you can upload them as blank PDF files, but you may be disadvantaged if you submit documents related to the verification of eligibility that are blank.

○ Some departments require applicants to submit certain documents, so you must check them.

○ If a Master's/Integrated program applicant fills out graduate school records or a Doctoral program applicant fills out Doctoral course record, it will be evaluated qualitatively, but it is not recognized as the final academic record.

○ Applications CANNOT be CANCELED, REPLACED (submitted documents) or CHANGED (applying information) once paying the application fee, and the fee is non-refundable.

○ Relevant (career) experience should be included and documented proof should be uploaded. Otherwise it cannot be included in the evaluation.

- Only experiences after entering college is acceptable.

○ If the documents are written in a language other than Korean or English, they should be submitted along with notarized copies translated into Korean or English.

- Even if documents are written in a languages other than Korean or English, notarized translations are not needed if they are written side-by-side in Korean or English.
- It must be a notarized translation, and documents translated arbitrarily or by a non-notarized translator (or website) are not accepted.

○ You may face disadvantages in following cases

- If Certificate of Degree or Graduation, Transcript, etc. is unofficial, "for verification", screen captured or lacking a seal, etc.
- If Certificate of Degree or Graduation, Transcript from a Korean university don't have any verification number or the verification number is no longer valid
- If the evidence is unreliable (unable to verify the issuing authority, unofficial documents, unknown source, etc.)
- If the scanned file has low resolution and the contents are difficult to recognize, etc.

3. Contact Information

○ Contact APEXSOFT if you have problems with online application on the portal(system error, file upload, payment, etc.)

Tel: 070-4327-9791 e-mail: help@apexsoft.co.kr

○ Inquiries about application(eligibility, document to submit, etc.)

Tel: 02-2123-4547 ~ 4548

available 9:30 ~ 17:00 during the application period, except Sat., Sun. and national holidays

Ⅵ Important Notes for Applicants

○ Only ONE application per semester is accepted for each applicant.
- You MUST apply for only one department by selecting one admission track
- If you create more than one application portal ID and apply, all applications will be rejected

○ Admission will be revoked in following cases
- If multiple applications (two or more departments for the same admission track / two or more admission track) by one applicant are found
- If submitted documents are found to contain false entry, forgery, alteration, or other illegalities (the admission will be revoked even after admission)
- If a prospective graduate at the time of application fails to obtain a final degree before admission by February 2026 (March 2026 for Japanese graduates)

○ Application will be excluded from the evaluation in the following cases
- If required documents are NOT submitted or readable
- If interview/performance assessment candidate fails to attend or cheats on the interview/performance assessment, he/she will be not admitted.

○ The detail of the admission evaluations and the reason for the result of [Admitted/Not admitted] will not be disclosed.

○ The final result for an Integrated Program applicant's will be divided into [Admitted], [Admitted as Master's course], [Not admitted]. If you received [Admitted as Master's course], you can enroll in Master's course even though you applied for an integrated program
- Ph.D. will be awarded upon graduation of the integrated program, and a master's degree will not be granted
- A master's degree may be awarded only to those who meet the requirements for a master's degree in case of interruption of the integrated courses

○ For the interviews, candidates need to bring their own valid ID (passport, driver's license or alien registration card). And if the interview/performance assessment are conducted in time slots, candidates complete it at the assigned time.

○ The online application service will be outsourced to a third party, but your personal information (name, passport information, contact details, academic records etc.) will not be used for other purposes than processing your application. The personal information of final successful candidates will be used as data for the creation of the academic register of our school, so please agree to the collection and use of personal information upon application. You can disagree, but then you cannot apply.

○ The application process will follow Graduate School Regulations, bylaws and enforcement regulations, and department bylaws.

○ New Students are not allowed to take a leave of absence in their first semester (except in cases of military service entry, childbirth or health reasons with a medical certificate attached).

INFORMATION

Ⅶ Information

1. Guideline for Overseas Universities Documents

○ Applicants from overseas universities shall submit a certificate of degree with Apostille or consular confirmation. Please refer to p. 23.

- If the applicant did not prepare apostilled or consular confirmed documents, the official certificate of degree (in PDF) can be acceptable when applying. However, admitted students need to submit the apostilled or consular confirmed certificate of degree (in physical form) after the final result are announced, so it is recommended to prepare in advance. [After admission (including for student visas), expected graduation, attendance records, enrollment or provisional certificates will not be accepted. Information on the submission period and procedure will be provided through the guidelines for admitted students.]
- Applicants from Chinese universities shall submit English version of the Degree Certificates issued by 「China Credentials Verification」 (possible to issue through http://www.chsi.com.cn) (consular confirmation not required.) and apostilled certificate of degree issued by Universities
- Upload in PDF format when applying

○ Transcripts do not require Apostille or consular confirmation, must be original copy of official document.

- If the grading system is different with 4.0, 4.3, 4.5, or percentage grading system, please attach the official description data. Description data should be officially issued from universities or country (official letter from university can be acceptable). It is recommended to submit this information to avoid potential disadvantages.
- If there is no GPA on the transcript, you must attach additional documents to confirm GPA (official letter from university can be acceptable).
- If transcript is unofficial, "for verification", screen captured or lacking a seal, it may result in disadvantages.

○ If the documents are written in languages other than Korean or English, they should be submitted along with notarized copies translated into Korean or English.

- For Documents written in languages other than Korean or English, you do not need to get a translation notarization if they are presented side-by-side in Korean or English.
- It must be a notarized translation, and documents translated arbitrarily or by a non-notarized translator (or website) are not accepted

○ Other Notices are the same with documents for students from Korean universities, so please refer Ⅲ_2. Notices for Submitting Documents (p.7) and Ⅵ. Eligibility and Submission Documents by Admission Track(p.13~21)

※ Foreign university branches located in Korea are not considered overseas universities, and therefore applicants must select "Republic of Korea" as located country of the university when applying (e.g. international university in Songdo).

2. Information on Apostille/Consulate Authentications

8. Certificate of Admission(COA) for VISA Issuance

※ Certificate of Admission(COA) is for issuing student visa. Students who has different type of visa(type A, E or F) don't need it.

○ How to issue COA and Student visa

Final Result Announcement

- The announcement will be made on the Graduate School website (http://graduate.yonsei.ac.kr).
- Please carefully read the Guidelines for Admitted Students which will be provided when the final results are released.

Registration

- Please pay the tuition fee during the registration period (Please refer the Guidelines for Admitted Students)

Submission of Required Documents for COA

- Required documents for COA
  - Original copy of Degree certificate
    (Overseas universities outside of China: Certificate of final graduation with an apostille OR Certificate of final graduation verified by the Korean consulate (영사확인) in the country or consulate in Korea
    Universities based in China:Online Verification Report of Higher Education Degree Certificate issued by the Ministry of Education of China (CHSI) English ver.)
    ** Provisional or Expected Graduation Certificates are NOT ALLOWED.
  - Original copy of official transcript
  - Proof of funds (Minimum KRW 22 million)
  - Copy of valid passport and a photo
- Details for the submission (place, period and method) will be announced though the Guidelines for Admitted Students

Getting COA

- Receipt of COA will be via E-mail
- It takes about 1 week after submission of documents
- COA issuance is only possible until one day before the start of the semester, and issuance is not possible after the start of the semester.

Getting/Renew Student Visa

- After submitting COA and the necessary documents for visa issuance to the respective embassies/consulates, visa issuance will be processed.

Entry into Korea/ Starting New Semester in Yonsei

- Entry into Korea with student visa and starting new semester at Yonsei University

Alien Registration

- International students must visit the local immigration office and apply for an alien registration card within 90 days of their entry into Korea.
- Request to register the alien registration number on Yonsei Portal

○ Guidance on safety education for new students in science and engineering departments

1) New students from the following colleges are required to complete the safety education in accordance with our university's regulations: College of Science, College of Engineering, College of Life Science & Biotechnology, College of Computing, College of Human Ecology, College of Medicine, College of Pharmacy, College of Underwood ISED, Department of Nano Biomedical Engineering

2) If the required education is not completed, following actions will be taken: access to the laboratory or participation in experiments will be prohibited, there will be disadvantages in the allocation of scholarships, and the concerned student will be required to have an interview with the advisor. ※ Contact for inquiries: Facility safety team (02-2123-2176)
